### Structure, governance and management

HCT Group is a registered charity and is incorporated as a company limited by guarantee and governed by its Memorandum and Articles of Association. It is managed by its Board of Trustees who are the trustees and directors of the charity. New trustees and directors are selected and appointed for a fixed term of office by the Board.

Board members are proposed by HCT Group's Governance Committee which seeks to ensure that the Board of Trustees has a broad range of appropriate skills and experience. The board meets at least six times a year

New trustees are provided with an induction to the charity, which includes an induction pack introducing the organisation and its activities, and outlines the rights and responsibilities of charity trustees. Prior to the first meeting a trustee is introduced to senior staff within the HCT Group, requested to sign the Code of Conduct and to make a declaration concerning conflicts of interest. Trustees are invited to visit the organisation whilst services are in operation, and are encouraged to do so throughout their term of office.

### Structure, governance and management (continued)

Following a governance review it was decided that the Regional Advisory Committees could be replaced with a different arrangement to more effectively engage with communities. In order to keep the social mission at the forefront of our business decisions, we have a rolling programme of direct stakeholder outreach in each of our operating regions. We meet regularly with local community leaders, elected officials and heads of community groups to understand local priorities.

We also conduct direct outreach with service users to better understand their needs – through surveys, focus groups and open user or passenger meetings. These enable us to remain accountable to passengers or service users, take feedback, listen to concerns and explore new ideas.

There are three sub-committees of the Board, the Governance and Remuneration Committee which meets once a year, the Audit Committee which meets twice a year and the Social Impact Advisory Committee, which meets twice a year to review our social impact.

The Chief Executive Officer is Dai Powell OBE. He has been supported during the year by the Chief Financial Officer, John Smart and the Chief Operations Officer, Jane Desmond. These three post holders are known as the Chief Officers and they form the core of the senior management team, together with the heads of department and project managers.

The Board of Trustees makes strategic decisions and the day-to-day operations of the charity are managed by the Chief Officers of HCT Group, delegated to other staff members, as appropriate.
